# Melody Makers

*"Music Education at Its Best"*

**Thank you for your interest in Melody Makers Music Program.**

**We offer fun, exciting music classes for children ages 12 months to 5 years.**

The **Gigi Jingle Class (12-36 months)** is a class that requires adult participation (mom, dad, grandma, babysitter, etc.) This class is 30 minutes and meets once a week. We use beanbags, streamers, instruments, and have a special giraffe puppet named Gigi who always comes to sing with the children. (Sometimes Gigi's cousin JoJo drops in for a surprise visit!) We also listen to one classical piece each week. For example, we listen to Rimsky Korsakov's "Flight of the Bumblebee" and give the children bumblebee finger puppets to buzz around the room as they listen to the music. We end each class with a freeze dance and Gigi stamp. If you have a toddler and a baby, feel free to bring baby to this class. There is no fee for baby to accompany sibling.

The **Family Harmony (12mos.-5 years)** is a 45-minute class that also meets once a week. In this class your child will be introduced to the classical composer Wolfgang Mozart through our puppet friend, Wolfgang the Wolf. During our music theory time we will be learning about the Grand Staff. As always we will have plenty of singing, rhythm instruments, beanbags, streamers, finger plays, music games, puppets and music appreciation. Parents who wish to may participate in class with their children. Gigi the Giraffe visits often to sing.
